**SACHI A. HAMAI**  
EXECUTIVE OFFICER

Dear Commissioners:

**APPROVE PROPOSED PROJECTS TO BE IMPLEMENTED UNDER  
THE COMMUNITY DEVELOPMENT BLOCK GRANT-RECOVERY PROGRAM  
(ALL DISTRICTS) (3 VOTE)**

**SUBJECT**

This letter recommends approval of proposed projects to be implemented under the U.S. Department of Housing and Urban Development's (HUD) Community Development Block Grant-Recovery (CDBG-R) Program.

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Find that the approval of CDBG-R projects is not subject to the provisions of the California Environmental Quality Act because the actions will not have the potential for causing a significant effect on the environment.
2. Approve various CDBG-R projects to be carried out by the Housing Authority of the County of Los Angeles, County departments, participating cities, Community Based Organizations (CBOs), and Other Public Agencies (OPAs), in the total amount of \$7,328,277, effective the date the Commission executes its grant agreement with HUD through June 30, 2012.
3. Approve and authorize the Executive Director to execute CDBG-R Reimbursable Contracts with participating cities, CBOs, and OPAs; and authorize the Executive Director to carry out all necessary

amendments thereto for the purpose of fully expending CDBG-R funds by the June 30, 2012 deadline, following approval as to form by County Counsel and execution by all parties.

4. Approve the transfer of \$783,946 in CDBG-R funds to the Housing Authority for various CDBG-R eligible programs.
5. Approve and authorize the Executive Director to execute a standard CDBG Reimbursable Contract with Mission Community Hospital, using \$76,480 in regular Community Development Block Grant (CDBG) funds allocated to the Third Supervisorial District, which will be combined with the \$123,520 in CDBG-R funds allocated to the Mission Community Hospital, for a total of \$200,000.
6. Authorize the Executive Director to terminate CDBG-R contracts when a breach of contract occurs or when funded activities are determined ineligible under CDBG-R regulations; and authorize the Executive Director to take all related actions, including execution of any necessary documents, to effect such terminations, following approval as to form by County Counsel.
7. Instruct the Executive Director to identify, reprogram, and execute Reimbursable Contracts for unexpended, disallowed, or recovered CDBG-R funds as a result of full or partial CDBG-R contract terminations for the purpose of fully expending funds by the June 30, 2012 program deadline, following approval as to form by County Counsel.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

In keeping with the purposes of the American Recovery and Reinvestment Act of 2009 (ARRA), the proposed CDBG-R funds will address hard development costs associated with infrastructure activities that provide basic services to residents. Funds will also be used for activities that promote energy efficiency and conservation through rehabilitation or retrofitting of existing buildings.

#### **FISCAL IMPACT/FINANCING**

There is no impact on the County general fund. On June 2, 2009, the Board of Supervisors approved CDBG-R funds in an amount of up to \$8,080,528 to be incorporated into the Commission's Fiscal Year 2009-2010 budget.

Based on the budget summary proposed in the Fiscal Year 2008-2009 Action Plan amendment, the \$8,080,528 will be allocated as follows:

- \$4,551,908 in CDBG-R funds will be allocated to the five Supervisorial Districts for projects to be carried out by County departments, the Housing Authority, CBOs, and OPAs.
- \$2,776,369 in CDBG-R funds will be allocated to participating cities to carry out eligible activities.
- \$752,251 will be reserved for Commission administration costs for overseeing the CDBG-R projects.

An additional \$76,480 in regular CDBG funds are allocated to the Mission Community Hospital project and are included in the Commission's Fiscal Year 2009-2010 approved budget.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

On February 17, 2009, Congress enacted ARRA, which appropriated \$1 billion in CDBG funds to states and local governments to carry out, on an expedited basis, eligible activities under the CDBG Program. The grant program under Title XII of Division A of ARRA is commonly referred to as the CDBG-R Program.

On June 2, 2009, the Board of Supervisors approved an amendment to the County's Action Plan to accept and administer \$8,080,528 in CDBG-R Program funds from HUD. The Action Plan contains the County's one-year plan to carry out housing and community development activities funded by the CDBG Program. The proposed CDBG-R Acknowledgement Receipts and Reimbursable Contracts with County departments, participating cities, CBOs, and OPAs are consistent with the purposes set forth in the amended Action Plan in the CDBG-R application, which was submitted by the June 5, 2009 deadline.

Should the County departments, participating cities, CBOs, and OPAs receiving CDBG-R funds require additional or replacement personnel after the effective date of these CDBG-R Acknowledgement Receipts or Reimbursable Contracts, these agencies shall give consideration for any such employment openings to participants in the County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the agencies' minimum qualifications for the positions in question.

Leveraged CDBG funding in the amount of \$76,480 allocated to the Third Supervisorial District will go to Mission Community Hospital in addition to the \$123,520 allocated through CDBG-R, bringing the total allocated to the Mission Community Hospital project to \$200,000.

The Commission will have Acknowledgement Receipts, attached in substantially final form, with the County departments that are receiving funds and will abide by all HUD regulations in utilizing these CDBG-R funds.

Attachment A is a complete list of service projects recommended for approval at this time. The following documents are also attached: CDBG-R Reimbursable Contract with a participating city; CDBG-R Reimbursable Contract with a CBO; CDBG-R Reimbursable Contract with an OPA; CDBG Reimbursable Contract with a CBO; and Fiscal Year 2009-2010 Summary Totals for Minority and Women Board Members and Employees for funded non-profit agencies. These items appear as Attachments B through F, respectively.

### **ENVIRONMENTAL DOCUMENTATION**

Approval of CDBG-R Acknowledgement Receipts and Reimbursable Contracts between the County and County departments, participating cities, and agencies receiving CDBG-R funds is exempt from the provisions of the National Environmental Policy Act (NEPA) pursuant to 24 Code of Federal Regulations, Part 58, Section 58.34(a)(3) because it involves administrative activities that will not have a physical impact on or result in any physical changes to the environment. This action is not subject to the provisions of the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines 15060(c)(3) and 15378 because it is not defined as a project under CEQA and does not have the potential for causing a significant effect on the environment.

NEPA and CEQA review and clearance of CDBG-R funded projects will be completed on a project-by-project basis prior to funding approval for each project.

### **IMPACT ON CURRENT PROGRAM**

The projects meet HUD's national objective of serving low- and moderate-income persons.

Respectfully submitted,

  
SEAN ROGAN  
Executive Director

Acting County Counsel

5. COMPENSATION AND METHOD OF PAYMENT. For satisfactory performance under this Contract, County shall reimburse Operating Agency an amount not to exceed,           dollars («FY\_Budget Amount»), which shall constitute full and complete compensation hereunder for the implementation of this Contract. Said compensation will only be paid out of funds received by the County from the Federal government under the Act, or from program income, as described in 24 CFR Section 570.504 accumulated under said program, for allowable costs actually paid for the expressed purposes specified. This payment request form must be submitted on a minimum of a bi-monthly basis as specified and provided by the County. Operating Agency shall bill for expenditures on a reimbursable basis for each project for which an ATI has been executed. The Operating Agency shall make every effort to ensure that all projects funded wholly or in part by CDBG-R funds shall provide equal employment and career advancement opportunities for minorities and women. In addition, the Operating Agency shall make every effort to employ residents of the project area(s) specified in the ATI(s).
21. DISCRIMINATION. No person shall, on the grounds of race, gender sexual orientation, creed, color, religion, national origin, age or physical handicap, be excluded from participating in, be refused the benefits of, or otherwise be subject to discrimination in any activities, programs or employment supported by this Contract.
22. FISCAL LIMITATIONS. The United States of America, through HUD, may in the future place programmatic or fiscal limitation(s) on CDBG-R funds. Accordingly, the County reserves the right, in its sole discretion, to revise this Contract in order to take into account actions and events affecting CDBG-R program funding. In the event of a CDBG-R funding reduction by HUD, the County may, in its sole discretion, reduce the compensation amount of this Contract in whole or in part, or may limit the rate of the Operating Agency's use of both its uncommitted and its unspent funds. The Commission, through its Executive Director, or his designee, may act for the County in implementing and effecting such a reduction in the compensation amount of this Contract.

Where the Commission, through its Executive Director, or his designee, has reasonable grounds to question the fiscal accountability, financial soundness, or compliance with this Contract of the Operating Agency, the Commission, through its Executive Director, or his designee, may suspend this Contract for up to sixty (60)

days, upon three (3) days notice to Operating Agency pending an audit or other resolution of such questions. In no event, however, shall a revision made by the County affect expenditures and legally binding commitments made by the Operating Agency before it received notice of such revision, provided that such amounts have been committed in good faith and are otherwise allowable, that such commitments are consistent with HUD cash withdrawal guidelines, and that CDBG-R funds are available to County to satisfy such expenditures or legally binding commitments.

23. PROGRAM INCOME. Program Income generated from the use of CDBG-R funds will be treated as program income to the regular CDBG Program. The County will expect that Program Income generated from the use of CDBG-R funds will be returned monthly during the duration of this Contract. Upon termination of this Contract, the County reserves the right to determine the final disposition of any program income, as described in 24 CFR Section 570.504, accumulated under the project(s) set forth in Exhibit A. Said disposition may include the County taking possession of said program income.
24. JOINT FUNDING. For projects in which there are sources of funds in addition to CDBG-R funds, Operating Agency shall provide proof of such other funding upon request. The County shall not pay for any costs incurred by Operating Agency, which are funded by other sources. All restrictions and/or requirements provided for in this Contract, relative to accounting, budgeting and reporting, apply to the total project regardless of funding source. Separate financial records shall be kept for each funding source and program.
25. INDEPENDENT CONTRACTOR. Both parties hereto in the performance of this Contract will be acting in an independent capacity and not as agents, employees, partners, joint venture partners or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever, including workers' compensation liability. Operating Agency shall bear the sole responsibility and liability for furnishing workers' compensation benefits to any person for injuries arising from or connected with services performed on behalf of the Operating Agency pursuant to this Contract.
26. USE OF FUNDS. All funds approved under this Contract shall be used solely for costs approved in the project budget(s) for the ATI(s) under this Contract. Contract funds shall not be used as a cash advance between contracts, as security to guarantee payments for any non-program obligations, or as loans for non-program activities. Separate financial records shall be kept for such funding source(s) and program.
27. DISALLOWED COSTS. If Operating Agency has failed to return funds spent for disallowed costs related to any CDBG-R contract it has with the County, the County may withhold and offset payments to be made to Operating Agency under this Contract.

28. ASSIGNMENT. Operating Agency may not assign or subcontract any portion of this Contract without the express written consent of the County. Any attempt by Operating Agency to assign or subcontract any performance of the terms of this Contract shall be null and void and shall constitute a material breach of this Contract, upon which the County may immediately terminate this Contract through the Executive Director.
29. SUBCONTRACTING. The requirements of this Contract may not be subcontracted by the Operating Agency without compliance of procurement standards and methods as outlined in 24 CFR, Part 85, Section 85.36 of the Common Rule. Any attempt by the Operating Agency to subcontract without adherence to federal regulations as required by the County may be deemed a material breach of this Contract.

If the Operating Agency desires to subcontract, the Operating Agency shall provide the following information promptly at the County's request:

- A description of the work to be performed by the Subcontractor;
- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by the County.

The Operating Agency shall indemnify and cause the subcontractor(s) to indemnify and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were the Operating Agency's employees.

The Operating Agency shall remain fully responsible for all performances required of it under this Contract, including those that the Operating Agency has determined to subcontract, notwithstanding the County's approval of the Operating Agency's proposed subcontract.

The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. The Operating Agency is responsible to notify its subcontractors of this County right.

The Commission's Executive Director or his designee is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the Commission, the Operating Agency shall forward a fully executed subcontract to the County for their files.

The Operating Agency shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.

The Operating Agency shall obtain and maintain on site certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. The County may request copies of the certificates and endorsements required herein at any time. Failure by the Operating Agency to comply with the County's request may be deemed by the County as a material breach of this contract.

30. AMENDMENTS/VARIATIONS. This writing, with attachments, embodies the whole of the agreement of the parties hereto. No oral agreement shall be binding upon the parties unless expressly stated herein. Except as provided herein, any addition to or variation of the terms of this Contract shall not be valid unless made in the form of a written amendment of this Contract formally approved and executed by both parties. All Amendments must be received by County no more than sixty (60) calendar days from the expiration date of this Contract.

WITNESSETH THAT:

WHEREAS, the County has entered into a contract with the United States of America, through its Department of Housing and Urban Development (HUD), to execute the County's Community Development Block Grant – Recovery Program, herein after called the “CDBG-R Program;” and this program was authorized under the American Recovery and Reinvestment Act of 2009, herein after called the “Act”, which appropriated supplemental funding for the CDBG Program;

WHEREAS, funding for the CDBG-R Program is authorized under the Act and it appropriated funds to states and local governments to carry out, on an expedited basis, eligible activities under the regular CDBG Program;

WHEREAS, the same statutory and regulatory provisions governing the CDBG Program will also apply to the CDBG-R Program as well as, the Housing and Community Development Act of 1974, as amended; and

WHEREAS, Operating Agency desires to participate in said CDBG-R program and is qualified by reason of experience, preparation, organization, staffing and facilities to provide the services and implement the project described herein.

NOW, THEREFORE, in consideration of the mutual covenants herein set forth and the mutual benefits to be derived therefrom, the parties agree as follows:

1. CONTRACT. This Contract consists of this document and attachments: Exhibit A, Project Description and Activity Budget, Exhibit B, Insurance Requirements and Exhibit C, Charitable Contributions Certification.
2. CONTRACT ADMINISTRATION. The Commission, through its Executive Director, or his designee, shall have full authority to act for the County in the administration of this Contract consistent with the provisions contained herein.

3. SCOPE OF SERVICES. The Operating Agency is to perform all the services set forth in the Exhibit A, Project Description and Activity Budget.
4. TIME OF PERFORMANCE. Operating Agency shall commence services no sooner than the date first written above, and shall complete same by no later than «Month» «Date», «Year». All projects funded under the CDBG-R Program shall be completed by no later than July 30, 2012.
5. COMPENSATION AND METHOD OF PAYMENT. For satisfactory performance under this Contract, County shall reimburse Operating Agency an amount not to exceed           dollars («FY\_Budget Amount»), which shall constitute full and complete compensation hereunder for the implementation of the project described in Exhibit A. Said reimbursement will only be paid out of funds received from the federal government under the Act or from program income, as described in 24 CFR Section 570.504 accumulated under said program, for allowable costs actually incurred and paid for the express purposes specified. The parties understand and agree that such reimbursement, if any, shall be conditioned upon receipt of said funds by the County from the federal government or accumulation of program income from said program, and shall not be a charge against any other funds of the County. Funds shall be paid only after submittal of the electronic payment request form. This payment request form must be submitted on a minimum of a monthly basis as specified and provided by the County. Said payment request shall give the total of said cash expenses paid during the monthly reporting period and shall also itemize the same in detail conforming to the budget required by Section 6 of this Contract. Operating Agency shall have no claim against the County or Commission for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Operating Agency after the expiration or other termination of this Contract. Should Operating Agency receive any such payment, it shall immediately notify the County and immediately repay all such funds to the County. Payment by the County for services rendered after expiration and/or termination of this Contract shall not constitute a waiver of the County's right to recover such payment from Operating Agency. This provision shall survive the expiration or other termination of this Contract.

6. BUDGET SECTION. No more than the amounts and expenditure items specified in the Project Description and Activity Budget, Exhibit A to this Contract, which is attached hereto and incorporated herein by this reference in Section 3, may be spent for the separate cost categories specified in Exhibit A without written approval of the County.

each quarter the County will review the Operating Agency's expenditure rate. If the Operating Agency has not expended at least 50 percent of its CDBG-R funds by January 31, 2011, the Operating Agency will be deemed to be noncompliant with the County's Expenditure Performance Standards. This may result in the recapture of enough funds to bring the Operating Agency into compliance. The County reserves the right to make the final determination, in its sole discretion, as to the amount of reduction of the Operating Agency's grant allocation, if any.

8. SOURCE AND APPROPRIATION OF FUNDS. The County's obligation is payable only and solely from funds appropriated through the Act and, for the purpose of this Contract. All funds will be appropriated at the beginning of the CDBG-R program period in July 2009. Such action shall include, but not be limited to the following: employment, promotion, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. - vi. In the event the Operating Agency fails to comply with the non-discrimination clauses of this Contract or with any of such rules, regulations or orders, this Contract may be canceled, terminated or suspended in whole or in part, and the Operating Agency may be declared ineligible for further Government contracts in accordance with procedures authorized in the Executive Orders and such other sanctions may be imposed and remedies invoked as provided in the Executive Orders or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.
- vii. The Operating Agency will include the provisions of these paragraphs in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of the Executive Order No. 11246 of September 24, 1965, that such provisions shall be binding upon each subcontractor or vendor. The Operating Agency will take such actions with respect to any subcontract or purchase order as the County may direct as a means of enforcing such provisions including sanctions for noncompliance, provided however, that in the event the Operating Agency becomes involved in, or is threatened with litigation with a subcontractor or vendor as a result of such direction by the County, the Operating Agency may request the United States to enter into such litigation to protect the interests of the United States.
- f. The Operating Agency shall comply with Executive Order 13166, titled "Improving Access to Services by Persons with Limited English Proficiency." Executive Order 13166 requires that federally assisted agencies make reasonable efforts to provide language assistance to ensure

meaningful access for Limited English Proficiency (LEP) persons to the agency's programs and activities. The Operating Agency shall contact the County's GAIN/GROW Division at (626) 927-5354 for a list of GAIN/GROW participants by job category.
- h. The Operating Agency is prohibited by the Department of Interior and Related Agencies Appropriations Act, known as the Byrd Amendments, and HUD's 24 CFR Part 87, from using federally appropriated funds for the purpose of influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, loan or cooperative contract, and any extension, continuation, renewal, amendment or modification of said documents.

Section 1605 of the Act prohibits use of recovery funds for a project for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States. Section 1605 of the Act also requires that this prohibition be applied in a manner consistent with U.S. obligations under international agreements, therefore, the Buy American requirement as set forth in 2 CFR Part 176.70, shall not be applied where the iron, steel, or manufactured goods used in the project are from a party to an international agreement. Countries covered under these international agreements are listed in 2 CFR Part 176.90.

Failure of Operating Agency to comply with the requirements of this Section shall constitute a material breach of contract upon which the Commission, through its Executive Director or his designee may immediately cancel, terminate or suspend this Contract.

60. COUNTY'S QUALITY ASSURANCE PLAN. The County will evaluate the Operating Agency's performance under this Contract on not less than an annual basis. Such evaluation will include assessing Operating Agency's compliance with all Contract terms and performance standards. Operating Agency's deficiencies, which County determines are severe or continuing and that may place performance of the Contract in jeopardy, if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and the Operating Agency. If improvement does not occur consistent with the corrective measure, County may terminate this Contract, pursuant to Paragraph 61 or 62, or impose other penalties as specified in this Contract.
61. TERMINATION FOR CONVENIENCE. The County reserves the right to cancel this Contract for any reason at all upon 30 days' prior written notice to Operating Agency. 63. ARCHITECTURAL BARRIERS ACT AND THE AMERICANS WITH DISABILITIES ACT. The Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) requires certain Federal and Federally funded buildings and other facilities to be designed, constructed, or altered in accordance with standards that insure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed, or altered with funds allocated or reallocated under this part after December 11, 1995, and that meets the definition of residential structure as defined in 24 CFR Section 40.2 or the definition of building as defined in 41 CFR Part 101, is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (Appendix A to 24 CFR Part 40 for residential structures and Appendix A to 41 CFR Parts 101-19 for general type buildings). The Americans with Disabilities Act (42 U.S.C. Section 12131; 47 U.S.C. Sections 155.201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services, and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy after January 26, 1993 that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in

existing facilities, where such removal is readily achievable--that is, easily accomplishable and able to be carried out without much difficulty or expense.

64. USE OF RECYCLED-CONTENT PAPER PROJECTS. Consistent with the County Board of Supervisors' policy to reduce the amount of solid waste deposited at County landfills, the Operating Agency agrees to use recycled-content paper to the maximum extent possible.

- d. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The contractor and/or the contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment Hearing.

- h. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

WITNESSETH THAT:

WHEREAS, the County has entered into a contract with the United States of America, through its Department of Housing and Urban Development (HUD), to execute the County's Community Development Block Grant – Recovery Program, herein after called the “CDBG-R Program;” and this program was authorized under the American Recovery and Reinvestment Act of 2009, herein after called the “Act”, which appropriated supplemental funding for the CDBG Program;

WHEREAS, funding for the CDBG-R Program is authorized under the Act and it appropriated funds to states and local governments to carry out, on an expedited basis, eligible activities under the regular CDBG Program;

WHEREAS, the same statutory and regulatory provisions governing the CDBG Program will also apply to the CDBG-R Program as well as, the Housing and Community Development Act of 1974, as amended; and

WHEREAS, Operating Agency desires to participate in said CDBG-R program and is qualified by reason of experience, preparation, organization, staffing and facilities to provide the services and implement the project described herein.

NOW, THEREFORE, in consideration of the mutual covenants herein set forth and the mutual benefits to be derived therefrom, the parties agree as follows:

1. CONTRACT. This Contract consists of this document and attachments: Exhibit A, Project Description and Activity Budget, and Exhibit B, Insurance Requirements.
2. CONTRACT ADMINISTRATION. The Commission, through its Executive Director (Commission), or his designee, shall have full authority to act for the

County in the administration of this Contract consistent with the provisions contained herein.

3. SCOPE OF SERVICES. The Operating Agency is to perform all the services set forth in the Exhibit A, Project Description and Activity Budget.
4. TIME OF PERFORMANCE. Operating Agency shall commence services no sooner than the date first written above, and shall complete same by no later than «Month» «Date», «Year». All projects funded under the CDBG-R Program shall be completed by no later than July 30, 2012.
5. COMPENSATION AND METHOD OF PAYMENT. For satisfactory performance under this Contract, County shall reimburse Operating Agency an amount not to exceed                    dollars («FY Budget Amount»), which shall constitute full and complete compensation hereunder for the implementation of the project described in Exhibit A. Said reimbursement will only be paid out of funds received from the federal government under the Act or from program income, as described in 24 CFR 570.504 accumulated under said program, for allowable costs actually incurred for the express purposes specified. The parties understand and agree that such reimbursement, if any, shall be conditioned upon receipt of said funds by the County from the federal government or accumulation of program income from said program, and shall not be a charge against any other funds of the County. Funds shall be paid only after submittal of the electronic payment request form. This payment request form must be submitted on a minimum of a monthly basis as specified and provided by the County. Said payment request shall give the total of said cash expenses paid during the monthly reporting period and shall also itemize the same in detail conforming to the budget required by Section 6 of this Contract. Payment by the County for services rendered after expiration and/or termination of this Contract shall not constitute a waiver of the County's right to recover such payment from Operating Agency. This provision shall survive the expiration or other termination of this Contract.

6. BUDGET SECTION. No more than the amounts and expenditure items specified in the Project Description and Activity Budget, Exhibit A to this Contract, which is attached hereto and incorporated herein by this reference in Section 3, may be spent for the separate cost categories specified in Exhibit A without written approval of the County.

7. EXPENDITURE STANDARDS. In accordance with the Act, all CDBG-R funds must be expended by the County by September 30, 2012. All CDBG-R Grantees must expend their entire allocation by this date. If the Operating Agency has not expended at least 50 percent of its CDBG-R funds by January 31, 2011, the Operating Agency will be deemed to be noncompliant with the County's Expenditure Performance Standards. This may result in the recapture of enough funds to bring the Operating Agency into compliance. The County reserves the right to make the final determination, in its sole discretion, as to the amount of reduction of the Operating Agency's grant allocation, if any.
8. SOURCE AND APPROPRIATION OF FUNDS. The County's obligation is payable only and solely from funds appropriated through the Act and, for the purpose of this Contract. All funds are appropriated at the beginning of the CDBG-R Program period in July 2009. 59. POST MOST WANTED DELINQUENT PARENTS LIST. The Operating Agency acknowledges that the County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. The CSSD will supply the Operating Agency with the poster to be used.
60. COUNTY'S QUALITY ASSURANCE PLAN. The County will evaluate the Operating Agency's performance under this Contract on not less than an annual basis. Such evaluation will include assessing Operating Agency's compliance with all contract terms and performance standards. Operating Agency's deficiencies, which County determines are severe or continuing and that may place performance of the Contract in jeopardy, if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and the Operating Agency. If improvement does not occur consistent with the corrective measure, County may terminate this Contract, pursuant to Paragraph 61 or 62, or impose other penalties as specified in this Contract.
61. TERMINATION FOR CONVENIENCE. The County reserves the right to cancel this Contract for any reason at all upon 30 days' prior written notice to Operating Agency. This Contract may be terminated by the County upon written notice to the Operating Agency for just cause (failure to perform satisfactorily) with no penalties incurred by the County upon termination or upon the occurrence of any of the following events in i, ii, iii, iv, or v:
- i. Should the Operating Agency fail to perform all or any portion of the work required to be performed hereunder in a timely and good workmanlike manner or properly carry out the provisions of the Contract in their true intent and meaning, then in such case, notice thereof in writing will be served upon the Operating Agency, and should the Operating Agency neglect or refuse to provide a means for satisfactory compliance with this Contract and with the direction of the County within the time specified in such notice, the County shall have the power to suspend or terminate the operations of the Operating Agency in whole or in part.
  - ii. Should the Operating Agency fail within five days to perform in a satisfactory manner, in accordance with the provisions of the Contract, or if the work to be done under said Contract is abandoned for more than three days by the Operating Agency, then notice of deficiency thereof in writing will be served upon Operating Agency by the County.

- iii. Should the Operating Agency fail to comply with the terms of said Contract within five days, upon receipt of said written notice of deficiency, the Commission, through its Executive Director, or his designee shall have the power to suspend or terminate the operations of the Operating Agency in whole or in part.
- iv. In the event that a petition of bankruptcy shall be filed by or against the Operating Agency.
- v. If, through any cause, the Operating Agency shall fail to fulfill in timely and proper manner the obligations under this Contract, or if the Operating Agency shall violate any of the covenants, Contracts, or stipulations of this Contract, the County shall thereupon have the right to terminate this Contract by giving written notice to the Operating Agency of such termination and specifying the effective date thereof, at least five days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs and reports prepared by the Operating Agency or under this Contract shall, at the option of the County become its property and the Operating Agency shall be entitled to receive just and equitable compensation for any work satisfactorily completed.

A building or facility designed, constructed, or altered with funds allocated or reallocated under this part after December 11, 1995, and that meets the definition of residential structure as defined in 24 CFR 40.2 or the definition of building as defined in 41 CFR Part 101, is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (Appendix A to 24 CFR part 40 for residential structures, and Appendix A to 41 CFR Part 101-19, Subpart 101-19.6, for general type buildings). The Americans with Disabilities Act (42 U.S.C. 12131; 47 U.S.C. 155.201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services, and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy after January 26, 1993 that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable--that is, easily accomplishable and able to be carried out without much difficulty or expense.
64. USE OF RECYCLED-CONTENT PAPER PROJECTS. Consistent with the County Board of Supervisors' policy to reduce the amount of solid waste deposited at County landfills, the Operating Agency agrees to use recycled-content paper to the maximum extent possible.

The CSSD will supply the Operating Agency with the poster to be used.
60. COUNTY'S QUALITY ASSURANCE PLAN. The County will evaluate the Operating Agency's performance under this Contract on not less than an annual basis. Such evaluation will include assessing Operating Agency's compliance with all Contract terms and performance standards. Operating Agency's deficiencies, which County determines are severe or continuing and that may place performance of the Contract in jeopardy, if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and the Operating Agency. If improvement does not occur consistent with the corrective measure, County may terminate this Contract, pursuant to Paragraph 61 or 62, or impose other penalties as specified in this Contract.
61. TERMINATION FOR CONVENIENCE. The County reserves the right to cancel this Contract for any reason at all upon 30 days' prior written notice to Operating Agency. This Contract may be terminated by the County upon written notice to the Operating Agency for just cause (failure to perform satisfactorily) with no penalties incurred by the County upon termination or upon the occurrence of any of the following events in i, ii, iii, iv, or v:
- i. Should the Operating Agency fail to perform all or any portion of the work required to be performed hereunder in a timely and good workmanlike manner

or properly carry out the provisions of the Contract in their true intent and meaning, then in such case, notice thereof in writing will be served upon the Operating Agency, and should the Operating Agency neglect or refuse to provide a means for satisfactory compliance with this Contract and with the direction of the County within the time specified in such notice, the County shall have the power to suspend or terminate the operations of the Operating Agency in whole or in part.

- ii. Should the Operating Agency fail within five days to perform in a satisfactory manner, in accordance with the provisions of the Contract, or if the work to be done under said Contract is abandoned for more than three days by the Operating Agency, then notice of deficiency thereof in writing will be served upon the Operating Agency by the County.
- iii. Should the Operating Agency fail to comply with the terms of said Contract within five days, upon receipt of said written notice of deficiency, the Commission, through its Executive Director, or his designee shall have the power to suspend or terminate the operations of the Operating Agency in whole or in part.
- iv. In the event that a petition of bankruptcy shall be filed by or against the Operating Agency.
- v. If, through any cause, the Operating Agency shall fail to fulfill in timely and proper manner the obligations under this Contract, or if the Operating Agency shall violate any of the covenants, Contracts, or stipulations of this Contract, the County shall thereupon have the right to terminate this Contract by giving written notice to the Operating Agency of such termination and specifying the effective date thereof, at least five days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs and reports prepared by the Operating Agency or under this Contract shall, at the option of the County become its property and the Operating Agency shall be entitled to receive just and equitable compensation for any work satisfactorily completed.

A building or facility designed, constructed, or altered with funds allocated or reallocated under this part after December 11, 1995, and that meets the definition of residential structure as defined in 24 CFR Section 40.2 or the definition of building as defined in 41 CFR Part 101, is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (Appendix A to 24 CFR Part 40 for residential structures and Appendix A to 41 CFR Parts 101-19 for general type buildings). The Americans with Disabilities Act (42 U.S.C. Section 12131; 47 U.S.C. Sections

155.201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services, and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy after January 26, 1993 that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable--that is, easily accomplishable and able to be carried out without much difficulty or expense.

64. USE OF RECYCLED-CONTENT PAPER PROJECTS. Consistent with the County Board of Supervisors' policy to reduce the amount of solid waste deposited at County landfills, the Operating Agency agrees to use recycled-content paper to the maximum extent possible.

- d. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The contractor and/or the contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. The contractor and the County shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Commissioners.

This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment Hearing.
  - h. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
